*Cancer Epidemiology, Biomarkers & Prevention* is published monthly, one volume annually, by the American Association for Cancer Research, Inc. (AACR). Except for members of the AACR, all subscriptions are payable in advance to AACR, Subscription Office, P. O. Box 11806, Birmingham, AL 35202 (Telephone: (800) 633-4931 or (205) 995-1567; FAX: (205) 995-1588), to which all business communications, remittances (in United States currency or its equivalent), and subscription orders should be sent. In Japan, send orders and inquiries to (sole agent): USACO Corporation, Tsukuba Bldg., 13-12, Shimabashi 1-chome, Minato-ku, Tokyo 105, Japan; Tel (03) 502-6471. Nonmembers of the AACR within the United States may subscribe to Volume 6 (1997) of *Cancer Epidemiology, Biomarkers & Prevention* at the rate of $95 (individual nonmembers) or $245 (institutional nonmembers), including postage. Institutional and individual nonmembers outside of the United States should add $40 to their respective rates to offset periodicals postage costs, which covers the cost of shipping journals by surface mail. (For faster delivery, expedited mailing rates are available by contacting the AACR Publications Department). Canadian subscribers should add 7% GST. Changes of address notification should be sent 60 days in advance and include both old and new addresses. Member subscribers should send address changes to: Member Services, AACR, Public Ledger Bldg., Suite 826, 150 South Independence Mall West, Philadelphia, PA 19106-3483. Nonmember subscribers should send changes of address to: AACR Subscription Office, P. O. Box 11806, Birmingham, AL 35202. Copies of the journal which are undeliverable because of address changes will be destroyed. Through the kind assistance of the Japanese Cancer Association, accelerated mailing of all AACR journals to AACR members in Japan is supported by a generous grant from the Banyu Pharmaceutical Company, Tsukuba, Japan.
