AMERICAN ASSOCIATION FOR CANCER RESEARCH

1998 GERTRUDE B. ELION CANCER RESEARCH AWARD

*Supported by an Educational Grant from
Glaxo Wellcome Oncology*

- This Award was established in honor of Nobel Laureate Dr. Gertrude B. Elion, Scientist Emeritus at Glaxo Wellcome Co. and Past President and Honorary Member of the AACR.
- The Gertrude B. Elion Cancer Research Award is a one-year, \$30,000 grant for a scientist in the U.S. or Canada engaged in meritorious basic, clinical, or translational research in cancer etiology, diagnosis, treatment, or prevention at the level of Assistant Professor (not yet tenured).
- The AACR will reimburse the Awardee for travel to the 1998 Annual Meeting in New Orleans, LA., where Dr. Elion will personally present this Award.

Eligibility

Candidates must have completed postdoctoral studies or clinical fellowships not later than July 1 of the Award year, and ordinarily not more than five years earlier. Tenured faculty in academia, federal government employees, and employees of private industry are not eligible for this award. A Candidate need not be a member of the AACR at the time of application, but must be nominated by a Member of the AACR. Associate Members may not be nominators.

Selection Process/Application Deadline

Applications are evaluated by a Committee consisting of AACR Members who are experts in basic, clinical, and translational cancer research. Complete applications must be submitted by **December 15, 1997**, to be considered for the 1998 Award.

Cancer Epidemiology, Biomarkers & Prevention is published monthly, one volume annually, by the American Association for Cancer Research, Inc. (AACR). Except for members of the AACR, all subscriptions are payable in advance to AACR, Subscription Office, P. O. Box 11806, Birmingham, AL 35202 [Telephone: (800) 633-4931 or (205) 995-1567; FAX: (205) 995-1588], to which all business communications, remittances (in United States currency or its equivalent), and subscription orders should be sent. In Japan, send orders and inquiries to (sole agent): USACO Corporation, Tsutsumi Bldg., 13-12, Shimbashi 1-chome, Minato-ku, Tokyo 105, Japan; Tel. (03) 502-6471. Nonmembers of the AACR within the United States may subscribe to Volume 6 (1997) of *Cancer Epidemiology, Biomarkers & Prevention* at the rate of \$95 (individual nonmembers) or \$245 (institutional nonmembers), including postage. Institutional and individual nonmembers outside of the United States should add \$40 to their respective rates to offset periodicals postage costs, which covers the cost of shipping journals by surface mail. (For faster delivery, expedited mailing rates are available by contacting the AACR Publications Department). Canadian subscribers should add 7% GST. Changes of address notification should be sent 60 days in advance and include both old and new addresses. Member subscribers should send address changes to: Member Services, AACR, Public Ledger Bldg., Suite 826, 150 South Independence Mall West, Philadelphia, PA 19106-3483. Nonmember subscribers should send changes of address to: AACR Subscription Office, P. O. Box 11806, Birmingham, AL 35202. Copies of the journal which are undeliverable because of address changes will be destroyed. Through the kind assistance of the Japanese Cancer Association, accelerated mailing of all AACR journals to AACR members in Japan is supported by a generous grant from the Banyu Pharmaceutical Company, Tsukuba, Japan.

11Q112-7K.T-WR6V

Notice to Members of the American Association for Cancer Research (AACR)

Officers for 1997-1998

President: Donald S. Coffey, Johns Hopkins University School of Medicine, Baltimore MD 21287-2101

President-Elect: Webster K. Cavenee, Ludwig Institute for Cancer Research, La Jolla, CA 92023-0660

Treasurer: Bayard D. Clarkson, Memorial Sloan-Kettering Cancer Center, New York, NY 10021

Executive Director: Margaret Foti, AACR, Public Ledger Bldg., Suite 826, Philadelphia, PA 19106-3483

Annual Dues

The annual dues of active members of the AACR are \$175, \$55 of which may be applied toward a subscription to *Cancer Epidemiology, Biomarkers & Prevention*. Corresponding members of the Association will be charged an appropriate fee to offset periodicals postage costs. Payment of dues and changes of address of members of the Association should be sent promptly to Margaret Foti, Executive Director, AACR, Public Ledger Bldg., Suite 826, 150 South Independence Mall West, Philadelphia, PA 19106-3483; Telephone: (215) 440-9300; FAX: (215) 440-9313.

Submission of Manuscripts

Cancer Epidemiology, Biomarkers & Prevention publishes original research on cancer causation and prevention in humans, linking three previously unintegrated disciplines: epidemiology, biomarkers, and prevention. Topics include descriptive, analytical, biochemical, and molecular epidemiology; the use of biomarkers to study the neoplastic and preneoplastic processes in humans; chemoprevention and other types of prevention trials; and the role of behavioral factors in cancer etiology and prevention. Manuscripts that address individual subjects in any of the three disciplines are welcome as well as manuscripts with an interdisciplinary approach. All submissions undergo peer review. Papers should be sent to: *Cancer Epidemiology, Biomarkers & Prevention*, AACR Publications Department, Public Ledger Building, Suite 826, 150 South Independence Mall West, Philadelphia, PA 19106-3483. See Instructions for Authors (page *i* of this issue) for further information concerning submissions.

Back Issues and Single Copy Sales of the Journal

Copies of back stock of the journal may be ordered from AACR Subscription Office, P. O. Box 11806, Birmingham, AL 35202 [Telephone: (800) 633-4931 or (205) 995-1567; FAX: (205) 995-1588]. As long as supplies permit, single copies will be sold by this company at \$25.00/copy. Orders outside the U.S. add \$3.00/copy to offset postage costs.

Advertisements

Advertisement insertion orders and copy must be received one month prior to the date of issue in which the advertisement is to be published. The journal is mailed by approximately the 7th day of the month of issue. Inquiries about advertising should be directed to: M. J. Mrvica Associates, Inc., 2 West Taunton Avenue, Berlin, NJ 08009 [Telephone: (609) 768-9360; FAX: (609) 753-0064].

Copyright and Permissions

Authors who wish to publish in *Cancer Epidemiology, Biomarkers & Prevention* must formally transfer copyright to the proprietor of the journal, the AACR, Inc. It is understood by this transfer that the authors relinquish all exclusive rights of copyright ownership, including without limitation rights of reproduction, derivation, distribution, sale, and

display of the work, in whole or in part, in any and all forms of media now or hereafter known.

Authors who prepared their articles as part of their official duties as employees of the U.S. Federal Government are not required to transfer copyright to the AACR, Inc., since these articles are considered to be in the public domain. In the case of articles supported by federal grants or contracts, copyright transfer to the AACR, Inc., is required. The federal government may retain a nonexclusive license to publish or republish such material.

The Journal will routinely allow authors (or others with the permission of the authors) to include select parts of a copyrighted article in reviews, books, or subsequent papers, upon written request to the AACR Director of Publications. Requests to reproduce an article in its entirety will be considered on an individual basis and permission may be granted contingent upon payment of an appropriate copyright fee. All reproduction requests must include a brief description of intended use and a stamped, self-addressed envelope. Third parties should obtain the approval of the authors *before* corresponding with the AACR.

Those who wish to photocopy articles should contact the AACR Publications Department [Telephone: (215) 440-9300; FAX: (215) 440-9355].

No responsibility is accepted by the Editors, by the AACR, Inc., by the American Society of Preventive Oncology, or by Cadmus Journal Services for the opinions expressed by contributors or for the content of the advertisements.

Cancer Epidemiology, Biomarkers & Prevention is indexed in *Chemical Abstracts*, *Current Contents/CM*[®], *Index Medicus*, *MEDLINE*, and the *BIOSIS Previews*[®] Database. This journal is printed on acid-free paper.

Cancer Epidemiology, Biomarkers & Prevention (ISSN 1055-9965) is published monthly by the American Association for Cancer Research, Inc., Public Ledger Bldg., Suite 826, 150 South Independence Mall West, Philadelphia, PA 19106-3483 for \$55 annually for members, \$95 for individual nonmembers, and \$245 for institutional nonmembers. Periodicals postage paid at Philadelphia, PA and additional mailing offices. POSTMASTER: Send address changes to AACR Subscription Office, P. O. Box 11806, Birmingham, AL 35202. Nutrition Researcher

The Cancer Etiology Program of the **Cancer Research Center of Hawaii** is seeking a nutritionist to fill a tenure-track position in its Epidemiology Section. Ongoing research at the Center covers a range of nutritional topics, including dietary assessments for cohort and case-control studies, dietary intervention trials, development of ethnic-specific food composition databases, short-term feeding studies with biochemical endpoints, and interactions between diet and genetic susceptibilities. The research takes place in a highly interactive environment with an emphasis on collaborative research. The successful candidate will be expected to conduct original population and/or laboratory research, and also to oversee the nutrition-related components of ongoing research activities. The position will be filled at the Associate Researcher (Professor) level or higher, depending on the qualifications of the successful candidate. Applicants should have a Ph.D., Dr.P.H. or equivalent degree from an accredited university and at least 5 years of relevant experience. Send *curriculum vitae* with the names of three references to: Chair, Nutritionist Search Committee, Cancer Research Center, University of Hawaii, 1236 Lauhala Street, Honolulu, HI 96813. For further information please write to the above address; call (808) 586-2985; or e-mail to: Marlene@CRCH.Hawaii.edu. Closing date for receipt of applications is November 30, 1997 or until the position is filled. Applications from women and minorities are encouraged.

The University of Hawaii is an Equal Opportunity/Affirmative Action Institution

DIRECTOR OF CANCER PREVENTION, DETECTION, AND CONTROL RESEARCH

Duke Comprehensive Cancer Center is seeking a Director of Cancer Prevention, Detection, and Control Research. The successful candidate should have a Ph.D or M.D. degree and have demonstrated expertise in research regarding cancer prevention, detection and control, reflected in publications and peer-reviewed funding. Experience in the design and execution of research trials would be particularly relevant. Such an individual will coordinate the Duke Cancer Prevention, Detection and Control Program with new and existing research programs in cancer diagnosis, nutrition, chemoprevention, epidemiology, behavior, and outcomes research. A faculty appointment will be available in the appropriate Medical Center department at a level commensurate with the experience of the successful applicant.

Please send CV to: **Director Search, Edward C. Halperin, M.D., Professor and Chairman, Department of Radiation Oncology, Box 3085, Duke University Medical Center, Durham, NC 27710 or e-mail halperin@radonc.duke.edu.**

AACR MINORITY SCHOLAR AWARDS IN CANCER RESEARCH
*Supported by a generous grant from the Comprehensive Minority Biomedical Program
of the National Cancer Institute (NCI)*

AACR Minority Scholar Awards in Cancer Research are offered to eligible minority scientists wishing to attend the Annual Meeting and Special Conferences of the American Association for Cancer Research (AACR). The awards are supported by a generous grant from the Comprehensive Minority Biomedical Program of the National Cancer Institute (NCI). Those eligible for these awards are graduate and medical students, physicians-in-training, and postdoctoral students from minority groups considered underrepresented in cancer research by the NCI, *i.e.*, African Americans, Alaskan Natives, Hispanic Americans, Native Americans, and Native Pacific Islanders.

The 89th AACR Annual Meeting will take place March 28 - April 1, 1998, in New Orleans, LA. This year's annual meeting will attract approximately 7,500 scientists from around the world, will provide the latest findings in the most rapidly developing areas of basic, clinical, and translational cancer research, and will feature major presentations from prominent scientists who are making important advances in the field. ***The deadline for receipt of applications for Minority Scholar Awards for the 89th AACR Annual Meeting is December 1, 1997.***

Applications for Special Conference awards are due approximately two months before the date of the meeting. The AACR special conferences on focused topics in cancer research have gained wide recognition as unique opportunities for in-depth discussion of important scientific issues in attractive, informal resort environments. For Special Conferences only, minority faculty at the level of Instructor, Lecturer, or Assistant Professor are also eligible for these awards..
