THE AMERICAN ASSOCIATION FOR CANCER RESEARCH (AACR) PRESENTS

Three Outstanding Training Opportunities
Supported by Major Grants from the National Cancer Institute
Primarily for Postdoctoral and Oncology Fellows

Waiver of Registration Fees and Subsidy of Lodging and Subsistence Expenses for Qualified Fellows

Molecular Biology in Clinical Oncology
A thorough overview of concepts in molecular biology designed for clinical oncologists in training

July 3-9, 1998, The Given Biomedical Institute, Aspen, CO
Michael B. Kastan, L. Michael Glodé, and Jennifer A. Pietenpol, Organizers

- Lectures by leading experts on molecular biology concepts and the latest developments in molecular oncology
- Small group laboratory sessions to demonstrate the important experimental techniques utilized in molecular biology
- Career development session and scheduled networking opportunities

Molecular Biology and Pathology of Neoplasia
(formerly entitled Histopathobiology of Neoplasia)
The Edward A. Smuckler Memorial Workshop
Intensive training in the molecular biology and morphology of human cancer for graduate students and postdoctoral fellows contemplating careers in basic cancer research

Frederick M. Waldman, Course Director

- Twenty-eight hours of hands-on laboratory exercises directed by distinguished pathologists
- An outstanding series of lectures on rapidly developing areas of cancer research by laboratory directors and other prominent investigators
- Poster presentations by students and faculty to facilitate further scientific exchange

Methods in Clinical Cancer Research
Co-Sponsored by the American Society of Clinical Oncology (ASCO)
The essentials of clinical trials design for researchers at the level of fellow or junior faculty

Daniel D. Von Hoff and Charles A. Coltman, Jr., Chairpersons

- A series of lectures by leaders in the field covering all elements of clinical trials design
- Small group discussion sessions on important techniques in clinical research
- Development of a clinical trial protocol by all participants with detailed critiques by faculty members
- Category I CME credits through ASCO

AACR members will receive brochures for all three workshops as soon as they are available. (The Clinical Methods Workshop brochure is also mailed to all ASCO members.) All others should submit requests to:

American Association for Cancer Research • Public Ledger Building, Suite 826 • 150 S. Independence Mall West
Philadelphia, PA 19106-3483 • Telephone: (215) 440-9300 • FAX: (215) 440-9313 • E-mail: meetings@aacr.org
Website: http://www.aacr.org
Notice to Members of the American Association for Cancer Research (AACR)

Officers for 1997-1998
President: Donald S. Coffey, Johns Hopkins University School of Medicine, Baltimore MD 21287-2101
President-Elect: Webster K. Cavenee, Ludwig Institute for Cancer Research, La Jolla, CA 92023-0660
Treasurer: Bayard Clarkson, Memorial Sloan-Kettering Cancer Center, New York, NY 10021
Executive Director: Margaret Foti, AACR, Public Ledger Bldg., Suite 826, Philadelphia, PA 19106-3483

Annual Dues
The annual dues of active members of the AACR are $175, $55 of which may be applied toward a subscription to Cancer Epidemiology, Biomarkers & Prevention. Corresponding members of the Association will be charged an appropriate fee to offset periodicals postage costs. Payment of dues and changes of address of members of the Association should be sent promptly to Margaret Foti, Executive Director, AACR, Public Ledger Bldg., Suite 826, 150 South Independence Mall West, Philadelphia, PA 19106-3483; Telephone: (215) 440-9300; FAX: (215) 440-9313.

Submission of Manuscripts
Cancer Epidemiology, Biomarkers & Prevention publishes original research on cancer causation and prevention in humans, linking three previously unintegrated disciplines: epidemiology, biomarkers, and prevention. Topics include descriptive, analytical, biochemical, and molecular epidemiology; the use of biomarkers to study the neoplastic and preneoplastic processes in humans; chemoprevention and other types of prevention trials; and the role of behavioral factors in cancer etiology and prevention. Manuscripts that address individual subjects in any of the three disciplines are welcome as well as manuscripts with an interdisciplinary approach. All submissions undergo peer review. Papers should be sent to: Cancer Epidemiology, Biomarkers & Prevention, AACR Publications Department, Public Ledger Building, Suite 826, 150 South Independence Mall West, Philadelphia, PA 19106-3483. See Instructions for Authors (page i of this issue) for further information concerning submissions.

Back Issues and Single Copy Sales of the Journal
Copies of back stock of the journal may be ordered from AACR Subscription Office, P. O. Box 11806, Birmingham, AL 35202 [Telephone: (800) 633-4931 or (205) 995-1567; FAX: (205) 995-1588]. As long as supplies permit, single copies will be sold by this company at $25.00/copy. Orders outside the U.S. add $3.00/copy to offset postage costs.

Advertisements
Advertisement insertion orders and copy must be received one month prior to the date of issue in which the advertisement is to be published. The journal is mailed by approximately the 7th day of the month of issue. Inquiries about advertising should be directed to: M. J. Mrvic Associates, Inc., 2 West Taunton Avenue, Berlin, NJ 08009 [Telephone: (609) 768-9360; FAX: (609) 753-0064].

Copyright and Permissions
Authors who wish to publish in Cancer Epidemiology, Biomarkers & Prevention must formally transfer copyright to the proprietor of the journal, the AACR, Inc. It is understood by this transfer that the authors relinquish all exclusive rights of copyright ownership, including without limitation rights of reproduction, derivation, distribution, sale, and display of the work, in whole or in part, in any and all forms of media now or hereafter known.

Authors who prepare their articles as part of their official duties as employees of the U.S. Federal Government are not required to transfer copyright to the AACR, Inc., since these articles are considered to be in the public domain. In the case of articles supported by federal grants or contracts, copyright transfer to the AACR, Inc., is required. The federal government may retain a nonexclusive license to publish or republish such material.

The Journal will routinely allow authors (or others with the permission of the authors) to include select parts of a copyrighted article in reviews, books, or subsequent papers, upon written request to the AACR Director of Publications. Requests to reproduce an article in its entirety will be considered on an individual basis and permission may be granted contingent upon payment of an appropriate copyright fee. All reproduction requests must include a brief description of intended use and a stamped, self-addressed envelope. Third parties should obtain the approval of the authors before corresponding with the AACR.

Those who wish to photocopy articles should contact the AACR Publications Department [Telephone: (215) 440-9300; FAX: (215) 440-9355].

No responsibility is accepted by the Editors, by the AACR, Inc., by the American Society of Preventive Oncology, or by Cadmus Journal Services for the opinions expressed by contributors or for the content of the advertisements.

Cancer Epidemiology, Biomarkers & Prevention is indexed in Chemical Abstracts, Current Contents/CM®, Index Medicus, MEDLINE, and the BIOSIS Previews® Database. This journal is printed on acid-free paper.

Cancer Epidemiology, Biomarkers & Prevention (ISSN 1055-9965) is published monthly by the American Association for Cancer Research, Inc., Public Ledger Bldg., Suite 826, 150 South Independence Mall West, Philadelphia, PA 19106-3483 for $55 annually for members, $110 for individual nonmembers, and $285 for institutional nonmembers. Periodicals postage paid at Philadelphia, PA and additional mailing offices. POSTMASTER: Send address changes to AACR Subscription Office, P. O. Box 11806, Birmingham, AL 35202. Copyright 1998 by the American Association for Cancer Research, Inc. Printed in the U.S.A.
### One Week Courses
- Basic Computer Applications in Epidemiology
- Introduction to SAS
- Advanced Computer Applications in Epidemiology
- Update in Infectious Diseases
- Emerging Infections
- Sexually Transmitted Diseases and HIV
- Introduction to Cancer Epidemiology
- Advanced Concepts and Methods in Cancer Epidemiology
- Cancer Prevention
- Epidemiology and Health Policy
- Behavioral Modification
- Successful Scientific Writing
- Basic Concepts of Clinical Epidemiology
- Clinical Trials—Design and Conduct
- Clinical Trials—Analytic Methods
- Analysis of Epidemiologic Measures
- Introduction to Logistic Model
- Analysis of Survival/Follow-up Data
- Epidemiology of Injuries
- Epidemiologic Methods and Injury Control
- Epidemiology of Violence
- Occupational and Environmental Exposure Assessment
- Occupational and Environmental Epidemiology
- Risk Assessment and Environmental and Occupational Epidemiology
- Cardiovascular Epidemiology
- Epidemiologic Issues in Women’s Health
- Current Issues in Infection Control
- Methods in Medical Quality Assessment
- Integration of Biomarkers and Epidemiology
- Social Epidemiology
- Epidemiology of Aging
- Epidemiology of Substance Abuse
- Using SUDAAN to Analyze NHANES-III

### Three Week Courses
- Fundamentals of Biostatistics
- Fundamentals of Epidemiology
- Applied Epidemiology for Health Practitioners

### Featuring a series of lectures on the Historical Aspects of Epidemiology during the 2nd and 3rd weeks

For application and information contact:
Dr. David Schottenfeld
or Jody Gray, Administrative Coordinator
Graduate Summer Session in Epidemiology
The University of Michigan
School of Public Health
109 S. Observatory Street
Ann Arbor, MI 48109-2029 USA
Telephone: (313) 764-5454
Fax: (313) 764-3192

Distinguished faculty have been selected from throughout the United States and abroad.

The Graduate Summer Session welcomes national and international health professionals.

U.S. tuition assistance is available.

The University of Michigan is a non-discriminatory/affirmative action institution.

CALL FOR ABSTRACTS

Fifth Research Workshop on the Biology, Prevention and Treatment of Head and Neck Cancer
August 26–30, 1998
McLean Hilton at Tysons Corner
McLean, Virginia

Abstract Deadline: March 17, 1998
For information and abstract form, telephone, fax or e-mail:
Talley Management Group
19 Mantua Road
Mt. Royal, NJ 08061
Tel: (609) 423-3195 Fax: (609) 423-3420
e-mail: meetings@smarthub.com

This Workshop is presented by the American Society for Head and Neck Surgery and the Society of Head and Neck Surgeons and is intended to be a multi-disciplinary international research forum stressing new research developments in all fields related to head and neck cancer. Participation from international researchers in both basic and clinical sciences is encouraged.

Conference Coordinates:
Stimson P. Schantz, MD,
New York, New York, and
Bettie M. Steinberg, PhD,
New Hyde Park, New York

NATIONAL CANCER INSTITUTE PUBLICATIONS FOR CANCER PATIENTS AND THEIR FAMILIES

To order these and other materials, call the Cancer Information Service, a program of the National Cancer Institute, at

1-800-4-CANCER
(1-800-422-6237)

Persons with TTY equipment, dial 1-800-332-8615.

These and other cancer publications are also available on NCI's Website at:
http://rex.nci.nih.gov

AMERICAN ASSOCIATION FOR CANCER RESEARCH

The American Association for Cancer Research (AACR) is a professional society of over 11,000 scientists and physicians involved in all aspects of basic, clinical, and translational cancer research. Members of the AACR enjoy

- subscriptions to Cancer Research, Cell Growth & Differentiation (CG&D), Cancer Epidemiology, Biomarkers & Prevention, and Clinical Cancer Research at reduced member rates
- reduced registration rates at the AACR Annual Meeting, Special Conferences, and International Meetings
- Employment Register, Directory of Members, public education activities, and many other benefits

Special programs to provide enhanced career development opportunities for minority scientists include

- Session on Career Development at Annual Meeting
- Mentorship Program
- Travel Awards to Scientific Meetings

American Association for Cancer Research
Public Ledger Building, Suite 826
