

Correction

In an article in the April 2000 issue of *Cancer Epidemiology, Biomarkers & Prevention*, an author's surname, "Besaratina," appeared as "Nia." For consistency in the literature, the author would like to revise the author list for that article. The corrected citation appears below.

Besaratina A, Maas LM, Van Breda SG, Curfs DM, Kleinjans JC, Wouters EF, Van Schooten FJ. Applicability of induced sputum for molecular dosimetry of exposure to inhalatory carcinogens: ^{32}P -postlabeling of lipophilic DNA adducts in smokers and nonsmokers. *Cancer Epidemiol Biomarkers Prev* 2000;9:367-72.
