

## Correction: Carnitine and Cardiac Dysfunction in Childhood Cancer Survivors Treated with Anthracyclines

In this article (Cancer Epidemiol Biomarkers Prev 2014;23:1109–14), which appeared in the June 2014 issue of *Cancer Epidemiology, Biomarkers & Prevention* (1), the authors regret that the labels for the supplementary data in the text are incorrect. Below are the correct names of these files, which are linked in the article.

Supplementary Appendix: Metabolon platform is now labeled Supplementary Materials and Methods, which also includes Supplementary Tables S1 and S2 and Supplementary Fig. S1.

Supplementary Appendix Table S1 is now labeled Supplementary Table S3.
