

Correction: Urinary Lead Exposure and Breast Cancer Risk in a Population-Based Case-Control Study

In this article (Cancer Epidemiol Biomarkers Prev 2008;17:2311-7), which appeared in the September 2008 issue of *Cancer Epidemiology, Biomarkers & Prevention* (1), the shading in Fig. 1 was inverted. The "Controls" should have no shading and the "NHANES" should be shaded. The figure with the correct shading is shown below. The publisher regrets this error.

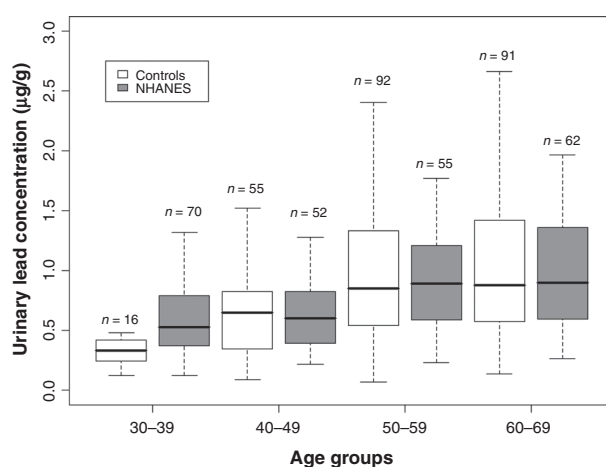

Figure 1.
